Re: Invitation to the Security cluster Day

Dear Brothers and Sisters in Christ,

Peace and blessings to you. We are delighted to invite you to the upcoming **Security Cluster Day**, which falls under the Justice and Peace and the Care of Creation initiatives of the Catholic Archdiocese of Pretoria. This year celebration will be **Ecumenical**, and we extend this invitation to the sister churches in Pretoria to send your people working in the Security cluster to participate in the celebration of this day.

This special gathering will provide an opportunity to reflect on our shared responsibility to safeguard our communities, promote justice, and nurture the gift of creation entrusted to us by God. Together, we will engage in prayer, dialogue, and collaborative action to strengthen our commitment to peace and security in our society. We will further explore ways to support and encourage our members working in the Security Cluster. I encourage you have your **Parish Ecumenical Security Cluster Day** at parish and local church level from now until we meet at the archdiocesan level.

Date: 11 July 2026 Time: 9, am Venue: St. Martin De Porres Catholic Church, 129 CELLIERS STREET, SUNNYSIDE, PRETORIA

Your presence will be a blessing as we unite in faith and purpose. Kindly confirm your attendance 6th July 2026 to facilitate better preparation.

We look forward to sharing this meaningful day with you.

In Christ's peace,

Bishop Masilo J. Selemela

Auxiliary Bishop of the Archdiocese of Pretoria
